

CORRECTIONS TO “ON A SINGULAR DIRECTION OF A  
MEROMORPHIC FUNCTION”

ZHAOJUN WU AND DAOCHUN SUN

**Abstract.** The corrections to our paper [2] are made.

**2000 Mathematics Subject Classification:** 30D30, 30D35.

**Key words and phrases:**  $T$  direction, characteristic function, comparison function.

In [2] we failed to indicate that Theorem 1 was conjectured in 2004 by Zheng (see ref. in [2]) and confirmed in [1], and we give in [2] a new proof only.

Further corrections:

Page 554. line 9: Add to assertion (iii) of Lemma 3: “where  $\ll$  denotes that  $B(r) \leq U(r)$  and there is a sequence  $\{r_n\} \rightarrow \infty$  such that  $B(r_n) = U(r_n)$ .”

Page 557, line 9: Replace  $2r$  by  $R$  in the expression after the first  $\limsup$ .
